PACKAGING WASTE (containers only)

cardboard

Boxes & cartons

metal

Cans, tins,
aerosols, trays...

plastic

Containers, bottles, tubes, wrapping, trays,
blister packs, plastic bags, plastic cups...

SIMPLE RULES

ALL PLASTIC
PACKAGING
MUST BE SORTED

HELPFUL ADVICE :

- Do not include any harmful items (glass, syringes...)
- Other plastic items are not recycled at the moment (string, toys ...)
- No need to clean the containers, you just need to ensure that they are empty.
- Flatten all big cardboard boxes to maximise bin capacity.

...AND ALL OTHER WASTE :
in the brown / grey bin
or (as appropriate) to the «dechetterie»

* Bags distributed in some municipalities only.
